FLAVOURED GIN

Arguably, by their very nature and use of botanicals, all gins are flavoured; however, the Gins we have classified as flavoured have a single dominant flavour other than juniper and are of normal Gin strength.

SAXTON COOPER GIN

DISTILLED IN BARLOW, DERBYSHIRE

70cl 37.5%

MOROCELLO BLOOD ORANGE

A punchy bold aromatic blood orange gin packed full to the brim with bitter-sweet oranges and a vibrant striking colour.

CANDY CANE

Playfully sweet, this gin offers a wonderful sweet taste of peppermint with a heady burst of raspberries.

PINK GRAPEFRUIT

This delicious pink grapefruit gin offers delicate sweet citrus flavours followed by a tangy smooth finish.

RHUBARB & GINGER

A sweet perfumed rhubarb filled aromatic gin with a crisp tang and a pop of citrus finished with ginger.

HEDGEROW FRUITS

A delightful aromatic fruity gin packed full of delicious sweet blackberries and raspberries with a hit of strawberries.

SICILIAN LEMON

Bursting with lemons this lovely gin offers a zesty heady citrus burst giving a smooth, crisp taste of the Mediterranean.

CUCKOO SPICED

ENGLAND
42.0% | 70CL

If warming spices take your fancy, make space in your gin cabinet and get some Cuckoo in with haste. It's even made with Tellicherry black pepper, thought by some to be the finest the world has seen!

PUERTO DE INDIAS STRAWBERRY

SPAIN
37.5% | 70CL

Combining notes of juniper and strawberry, this is a vibrantly fruit-forward Spanish gin. Very light and sweet, this should make for a fine summer tippie.

WHITLEY NEILL BLOOD ORANGE

ENGLAND
43.0% | 70CL

A blood orange-themed variation of the Whitley Neill Gin recipe! Featuring a generous helping of Sicilian blood orange at its core, this one will really stand out in cocktails and mixed drinks.

TWO BIRDS WATERMELON

ENGLAND
37.5% | 70CL

Two Birds have brought out this fabulously refreshing new gin using a base of its London Dry Gin with the addition of watermelon. A delicately fruity tippie.

SHINING CLIFF SPICED

ENGLAND
45.0% | 50CL

Distilled from eleven botanicals including marjoram, cardamom, cassia, meadowsweet and orris root. Featuring the most juniper, this is our driest gin with distinctive, well-balanced spiced earth flavours.

WHITLEY NEILL PARMA VIOLET

ENGLAND
43.0% | 70CL

Whitley Neill is getting in on the fun with its very own Parma Violet Gin! Hugely perfumed with balancing sweet notes and spicy elements, this stuff is sure to make some brilliant floral classic cocktails...

BUSS NO 509 CHERRY

BELGIUM
40.0% | 70CL

Fresh cherries are macerated in the gin, hence the vibrant colour, and a hint of almond is also added for a Bakewell flavour profile.

CHASE RHUBARB & BRAMLEY APPLE

ENGLAND
40.0% | 70CL

Chase take great whacks of inspiration from autumnal flavours. You've got your rhubarb. You've got your Bramley apple. You've got tasty gin earthy notes to balance them all out.

BLUE MONKEY RHUBARB & CUSTARD

OLD TOM

Old Tom gin is a sweeter version of London dry gin. Simple syrup is used to distinguish this older style of gin from its contemporaries and many include notes of citrus. Old Tom was the original gin used for the popular Tom Collins and the gin of choice for much of the 19th century. If you're exploring classic cocktails, you can often get a taste of the original recipes by pouring Old Tom rather than a London dry.

LANGLEYS OLD TOM

ENGLAND

This classic from the mid-1800s delivers a sweeter and more peppery taste in comparison with our Dry Gin. From the botanicals alone we nurture its sweet taste, while our oak casks continue to add flavour and colour.

HAYMANS OLD TOM GIN

ENGLAND
40.0% | 70CL

Old Tom was a predecessor of the now-ubiquitous London Dry style. Early gin was sweetened to hide harsh impurities. Folklore has it that Old Tom gin would be served through a hole in the wall under a wooden plaque cat.

SLOE GIN

Sloe gin is a red liqueur made with gin and sloe drupes, which are a small fruit relative of the plum. Sloe gin has an alcohol content between 15 and 30 percent by volume. The traditional way of making sloe gin is to soak the sloes in gin. Sugar is required to extract the sloe juice from the fruit.

LONDON DRY GIN

London dry gin is the best-known and most widely produced style of gin in the world today. Many people consider it the benchmark when it comes to defining gin. It is definitely a juniper-forward gin. This is a very dry gin and its flowery and aromatic characteristics are a result of adding the botanicals during the second or third distillation. The vapours from these flavouring agents reach the alcohol as they pass through a specialized still with an attachment called a gin head.

Full and round with medium body and a naturally smooth, rich and velvety texture. Light vanilla notes sway between sweet and savory, with a hint of black pepper and spice.

FLAVOURED VODKA

In most cases, vodka flavouring comes from a post-distillation infusion of flavours. Through the fermentation process, grain mash is transformed into a neutral alcohol beverage that is unflavoured. The process of flavouring vodka so that it tastes like fruits, chocolate, and other foods occurs after fermentation and distillation. Various chemicals that reproduce the flavour profiles of foods are added into vodka to give it a specific taste.

DARK & GOLDEN RUM

Gold rums, are medium-bodied rums that are generally aged. They have more flavour and are stronger-tasting than light rum, and can be considered midway between light rum and the darker varieties. Dark rums, also known by their particular colour, such as brown, black, or red rums, are classed a grade darker than gold rums. They are usually made from caramelized sugar or molasses. They are generally aged longer, in heavily charred barrels, giving them much stronger flavours.

MALT

Malt whisky is whisky made from a fermented mash consisting primarily of malted barley. If the product is made exclusively at a single distillery (along with other restrictions), it is typically called a single malt whisky. Although malt whisky can be made using other malted grains besides barley, those versions are not called malt whisky without specifying the grain.

BOURBON

Bourbon whiskey is a type of American whiskey, a barrel-aged distilled spirit made primarily from corn. Bourbon has been distilled since the 18th century. The use of the term "bourbon" for the whiskey has been traced to the 1820s, and the term began to be used consistently in Kentucky in the 1870s. While bourbon may be made anywhere in the United States, it is strongly associated with the American South, and with Kentucky in particular.
